## Regular and Casual Pool Cleaning

### Want your pool to sparkle?

Your pool is an important asset and we can help you ensure that it sparkles and is always safe to swim in. From a one off call out to our regular service program we would love to help.

Call us about tailoring a regular service program for your pool

**SAVE MONEY:** Ask us about our new range of energy saving pool equipment

## Pool Equipment Repairs and Sales

**Having troubles with your pool equipment?** We provide advice on how to set up your pool correctly. We will recommend the appropriate equipment for your pool and suggest options based on price, quality and warranties.

Equipment trouble shooting and onsite repairs

## Pool Heating - Solar, Gas & Heat Pump

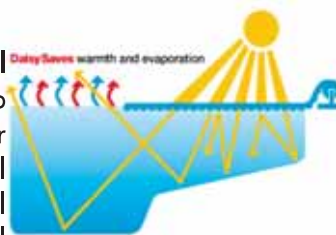

### Do you want some extra swim time from your pool?

Do you want your pool to always be at ready to swim temperature? Then contact us today and one of our pool technicians will come out onsite and discuss the features and benefits of the various heating options on the market.

## Pool Blankets and Rollers

Are you looking for a pool blanket or leaf cover to help minimise the debris in your pool? Did you know a pool blanket can also heat your pool and reduce ongoing chemical costs? Contact us today and we will send out a pool technician for a FREE Onsite quote and discuss your options.

## Automatic Pool Cleaners

Need help with your current pool cleaner or are you looking for a new one? Let us come out for a chat and show you the range of options on the market. Not every cleaner will work well in every pool, so call us today and we can offer suggestions to help you decide on the right cleaner for your pool.

ASK FOR A ROBOT DEMO

## Sand and Filter Changes

Is your pool dull or cloudy? Has it been more than 5 years since your last Sand change? Your filter may be in need of a sand change or your cartridge may need replacing. There is also a new range of filter media on the market so call us for a chat about the best option for your pool.

## Pool Training and Handovers

### Need some hints and tips?

Whether you are a new pool owner or an experienced hand we can come out onsite and provide you a training session on how to maintain your pool and setup your equipment. We will give you all the hints and tips so book a training session today.

Book a one on one pool training session today

## Green Pool Recovery

### Pool going or gone green?

Then give us a call and we can provide you a green pool treatment quote to turn it from GREEN to CLEAN. You do not have to drain your pool so we can help save you money and get your pool sparkling sooner rather than later. This also applies to brown, muddy or black pools.

From Green to Clean
